Where We do the Work and
Your Organization Reaps the Benefits!!**

Looking for an additional fundraising idea that is fun for your supporters, involves practically no work on your part, cost you nothing to run and most importantly raises much needed funds for your Organization? Then we have the event for you?

Wedgwood Country Club, one of the area's premier Country Club's is now offering at no cost to you or your Organization a way to raise awareness and money for your cause in a fun and stress free way.

Wedgwood Country Club has been running successful golf events for over 50 years and now we want to help your organization achieve the same successful results by offering to host your very own charity golf outing run by our experienced staff.

Here's how it works:

- 1) WCC will help you with the copy to send an email blast to your existing database of supporters. The email will include a link to our WCC website where your supporters will learn the details related to your event and instructions on how to register for your golf outing.
- 2) We also request that you promote the event on your organizations website and all other social media outlets (Face book, Twitter, YouTube, etc.)
- 3) Once we sign up a minimum of 32 players, your event is on!

Participants = Profits

Simply stated, for each participant that signs up, your organization will receive a \$20.00 donation from the entry fee:

Example:

- 40 players = \$800.00 donation to your organization.
- 60 players = \$1,200.00 donation to your organization.
- 72 players = \$1,440.00 donation to your organization.

- Registration Gift at time of sign-in.
- 18 Hole Round of Golf with Cart on our Championship Style Golf Course.
- Two on Course Contests with Prizes.
- Professional Scoring by our Proshop Staff.
- Buffet Style Meal and Awards Presentation after your round.
- One (1) Complimentary Greens Fee and Cart Foursome for your Organization to use at your Discretion.
