

Wedgwood Local Rules

1. USGA rules govern all play except where local rules apply.
2. The embedded ball rule is in effect at all times except in a penalty area.
3. Markers:
 - a) Out of bounds and penalty areas are defined by trees, lines, fences, or painted stakes to designate the penalty area, or O.B. area. **Penalty for O.B. is Stroke and Distance.**
 - b) Stakes or lines defining penalty area or O.B. are considered to be in the penalty or O.B. area.
4. Relief exists from all blacktop paths and all dirt areas at the beginning and end of blacktop cart paths with the exception of the designated area behind the 13th green (see hole #13 rules). Relief exists on service roads on holes: 1, 2, 7, 8, 9 that exist outside the wooded areas. There is **No** relief from service roads in the woods. **All other non-blacktopped paths are played as it lies!**
5. Debris mounds and piles are considered ground under repair. There is no relief from un-spread grass clippings.
6. Swing relief exists for balls that come to rest near Stumps, guy wire, and pump houses, but only when those obstructions interfere with a player's reasonable stance or swing. **There is no line of site relief!**
7. There is no relief from irrigation boxes. They are "integral" to the golf course.
8. There will be no allowance made for ignorance of the USGA or local rules. It is the sole responsibility of the player to know the rules and their proper interpretation.
