Wedgwood Country Club
Where We do the Work and
Your Organization Reaps the Benefits!!**

Looking for a fundraising idea that is fun for your supporters, involves limited work on your part, cost you nothing to run, and most importantly raises much needed funds for your Organization? Then we have the event for you?

Wedgwood Country Club has been running successful golf events for over 55 years and now we want to help your organization achieve the same successful results as hundreds of other organizations by offering to host your very own charity golf outing run by our experienced staff.

Here's how it works:

- 1) WCC will help with: selecting your event date and starting time, organizing all contest holes, pairing of foursomes and hole assignments*, directing of your participants on the day of your event, making of all pre-golf announcements, marshalling, coordination with our F&B departments, end of day scoring, and contest results.
- 2) You take care of the collecting entry fees, volunteer staffing, and spreading the word through word of mouth and all other forms of social media.
- 3) Once we sign up a minimum of 32 players, your event is on!

Participants = Profits

Simply stated, over and above any other fundraising you do that day, for each participant that signs up, your organization will receive a \$20.00 donation from the entry fee:

Example:

- 40 players = \$800.00 donation to your organization.
- 60 players = \$1,200.00 donation to your organization.
- 72 players = \$1,440.00 donation to your organization.

*this service only available when participant list is provided to WCC no less than five days in advance of event date.

Your outing Event will Include:
